Boy meets girl. Boy falls in love with girl. And, on one fateful December day, girl stands up boy and then bakes him a batch of apology cookies. The rest is history. Building Tiff's Treats has been a love story unlike any other for these husband-and-wife entrepreneurs who began a two-person operation from their college apartment and grew it into a business that employs thousands and is worth hundreds of millions of dollars. Their highly anticipated debut book, It's Not Just Cookies: Stories & Recipes From The Tiff's Treats Kitchen, invites readers to experience just how Tiffany standing Leon up on a date led to the pair creating an on-demand, baked-to-order, WARM cookie delivery brand--the first of its kind. What started as a simple apology with a warm batch of chocolate chip cookies ultimately became a way of connecting people through warm moments. "We've realized that we get a front-row seat to human nature at its best, with cookies as the conduit," Tiffany and Leon say. "And we're excited to share some of these stories." They're also excited to share RECIPES! For the first time ever, It's Not Just Cookies is releasing fan-favorite cookie recipes, complete with full-page, full-color photos, so readers can bake Tiff's Treats at home! In the book, you'll also read about the: Highs and lows of 20 years of entrepreneurship--while being married to your business partner Guiding principles Tiffany and Leon have used to overcome adversity Lessons they've learned along the way--mostly the hard way Inspiration that will help you find your own sweet success. Early on, Tiff's Treats co-founders Tiffany and Leon Chen remember being asked the critical question: "What are you going to do, bake cookies for the rest of your life?" Yes, the answer is absolutely "yes." And so much more. So, grab a cookie or three, follow Tiffany and Leon's amazing journey, and create some warm moments of your own!

Introduced in 1997, the GM LS engine has become the dominant V-8 engine in GM vehicles and a top-selling high-performance crate engine. GM has released a wide range of Gen III and IV LS engines that deliver spectacular efficiency and performance. These compact, lightweight, cutting-edge pushrod V-8 engines have become affordable and readily obtainable from a variety of sources. In the process, the LS engine has become the most popular V-8 engine to swap into many American and foreign muscle cars, sports cars, trucks, and passenger cars. To select the best engine for an LS engine swap, you need to carefully consider the application. Veteran author and LS engine swap master Jefferson Bryant reveals all the criteria to consider when choosing an LS engine for a swap project. You are guided through selecting or fabricating motor mounts for the project. Positioning the LS engine in the engine compartment and packaging its equipment is a crucial part of the swap process, which is comprehensively covered. As part of the installation, you need to choose a transmission crossmember that fits the engine and vehicle as well as selecting an oil pan that has the correct profile for the crossmember with adequate ground clearance. Often the brake booster, steering shaft, accessory pulleys, and the exhaust system present clearance challenges, so this book offers you the best options and solutions. In addition, adapting the computer-control system to the wiring harness and vehicle is a crucial aspect for completing the installation, which is thoroughly detailed. As an all-new edition of the original top-selling title, LS Swaps: How to Swap GM LS Engines into Almost Anything covers the right way to do a spectrum of swaps. So, pick up this guide, select your ride, and get started on your next exciting project.

The #1 New York Times bestselling memoir of U.S. Navy Seal Chris Kyle, and the source for Clint Eastwood's blockbuster, Academy-Award nominated movie. "An amazingly detailed account of fighting in Iraq--a humanizing, brave story that's extremely readable." — PATRICIA CORNWELL, New York Times Book Review "Jaw-dropping...Undeniably riveting." —RICHARD ROEPER, Chicago Sun-Times From 1999 to 2009, U.S. Navy SEAL Chris Kyle recorded the most career sniper kills in United States military history. His fellow American warriors, whom he protected with deadly precision from rooftops and stealth positions during the Iraq War, called him "The Legend"; meanwhile, the enemy feared him so much they named him al-Shaitan ("the devil") and placed a bounty on his head. Kyle, who was tragically killed in 2013, writes honestly about the pain of war—including the deaths of two close SEAL teammates—and in moving first-person passages throughout, his wife, Taya, speaks openly about the strains of war on their family, as well as on Chris. Gripping and unforgettable, Kyle's masterful account of his extraordinary battlefield experiences ranks as one of the great war memoirs of all time.

Earth Day celebrates our beautiful planet and calls us to act on its behalf. Some people spend the day planting flowers or trees. Others organize neighborhood clean-ups, go on nature walks, or make recycled crafts. Readers will discover how a shared holiday can have multiple traditions and be celebrated in all sorts of ways.

This is the most helpful and comprehensive resume book you can buy. It includes more than 400 success-proven resume examples that teach you how to personalize your resume according to your own unique career situation. The 17 chapters contain resumes that cover all major industries, span all job levels from entry-level to CEO, and are helpfully arranged by both job field and title to make it easy for you to quickly locate the resumes that address your particular field or situation. The first chapter includes expert advice on what to include on your resume and what to omit, what to emphasize and what to tone down. It is specifically designed to keep reading to a minimum, so you can start sending out your resume as soon as possible. The second chapter, devoted to creating hard-hitting cover letters, includes 40 examples tht cover a wide variety of typical career situations, while the third chapter include 30 includes 30 resumes that cover difficult circumstance. There is even a chapter devoted to students to help new graduates joining the workforce.
