Fever Pitch (Penguin Modern Classics) by Hornby, Nick Re **---**
Hornby's seminal meditation on what it means to live your life through football pioneered the intellectualisation of the sport as well as delivering an eloquent, frequently painfully funny memoir. Charting the highs and lows of supporting the Gunners, Fever Pitch is a classic of modern sports writing.

Fever Pitch – widely considered to be the best book ever written on football fandom – is a hilarious, ever-relevant and deeply poignant account of what happens in the mind of a diehard fan. It's about masculinity, camaraderie, obsession and hope – that, however badly today goes, there will always be next weekend. One Night in Turin

The Twentieth Anniversary EditionAs a young boy, growing up in London and watching his parents' marriage fall apart, Nick Hornby - author of High Fidelity, About a Boy and The Complete Polysyllabic Spree- had little sense of home. Then his dad took him to Highbury. Arsenal's football ground would become the source of many of the strongest feelings he'd ever have- joy, humiliation, heartbreak, frustration and hope. In this hilarious, moving and now-classic book, he vividly depicts his childhood life, his time as a teacher, and his first loves (after football), all through the prism of the game, as he insightfully and brilliantly explores obsession, and the way it can shape a life.

A famous account of growing up to be a fanatical football supporter. Told through a series of match reports, FEVER PITCH has enjoyed enormous critical and commercial success since it was first published in 1992. It has helped to create a new kind ofsports writing, and established Hornby as one of the finest writers of his generation.

A heartbreaking, funny, and honest look inside of a marriage falling apart and the lengths a couple would go to in order to fix it from the bestselling author of About a Boy and High Fidelity Now an Emmy award winning SundanceTV series starring Rosamund Pike and Chris O'Dowd Tom and Louise meet in a pub before their couple's therapy appointment. Married for years, they thought they had a stable home life--until a recent incident pushed them to the brink. Going to therapy seemed like the perfect solution. But over drinks before their appointment, they begin to wonder: what if marriage is like a computer? What if you take it apart to see what's in there, but then you're left with a million pieces? Unfolding in the minutes before their weekly therapy sessions, the ten-chapter conversation that ensues is witty and moving, forcing them to look at their marriage--and, for the first time in a long time, at each other.

The essential guide to twentieth-century literature around the world For six decades the Penguin Modern Classics series has been an era-defining, ever-evolving series of books, encompassing works by modernist pioneers, avant-garde iconoclasts, radical visionaries and timeless storytellers. This reader's companion showcases every title published in the series so far, with more than 1,800 books and 600 authors, from Achebe and Adonis to Zamyatin and Zweig. It is the essential guide to twentieth-century literature around the world, and the companion volume to The Penguin Classics Book. Bursting with lively descriptions, surprising reading lists, key literary movements and over two thousand cover images, The Penguin Modern Classics Book is an invitation to dive in and explore the greatest literature of the last hundred years.

Seminar paper from the year 2016 in the subject English Language and Literature Studies - Literature, grade: 2,3, University of Hamburg, language: English, abstract: The enthusiasm for the game of football extends far beyond the crowded bleachers of modern stadiums in metropolitan areas around the globe and handcrafted goal posts on agrarian fields in the British Lake District. The so called "beautiful game" has served as a template for countless movies, books, plays and other cultural goods. One of the most prominent writings on football and football fandom is Nick Hornby's "Fever Pitch". Besides the topic of football, it is the author's own story about growing up as a British child of the 1960s, an era which was shaped by issues of class and questions about the existence of a British identity. As a semi-autobiographic coming-of-age narrative about love, friendship, labour and Nick Hornby's obsession for football, the luck and success of Arsenal, the author's favourite team, reflects the ups and downs of his own life. According to the author, "Fever Pitch is not just about a man's obsession for football: "The book is also, in part, an exploration of some of the meanings that football seems to contain for many of us".

Paul Ashworth has two problematic relationships: one with his football team, and one with Sarah, a colleague at the north London comprehensive where he works. Set against the backdrop of the 1988/89 football season, the couple's highs and lows mirror those of Arsenal.

Nick Hornby's second bestselling novel is about sex, manliness and fatherhood. Will is thirty-six, comfortable and child-free. And he's discovered a brilliant new way of meeting women - through single-parent groups. Marcus is twelve and a little bitnerdist: he's got the kind of mother who made him listen to Joni Mitchell rather than Nirvana. Perhaps they can help each other out a little bit, and both can start to act their age.

The Game of Our Lives is a masterly portrait of soccer and contemporary Britain. Soccer in the United Kingdom has evolved from a jaded, working-class tradition to a sport at the heart of popular culture, from an economic mess to a booming entertainment industry that has conquered the world. The changes in the game, David Goldblatt shows, uncannily mirror the evolution of British society. In the 1980s, soccer was described as a slum game played by slum people in slum stadiums. Such was the transformation over the following twenty-five years that novelists, politicians, poets, and bankers were all declaring their footballing loyalties. At one point, the Palace let it be known that the queen -- like her mother, Prince Harry, the chief rabbi, and the archbishop of Canterbury -- was an Arsenal fan. Soccer permeated the national life like little else, an atavistic survivor decked out in New Britain flash, a social democratic game in a cutthroat, profit-driven world. From the goals, to the players, to the managers, to the money, Goldblatt describes how the English Premier League (EPL) was forged in Margaret Thatcher's Britain by an alliance of the big clubs -- Arsenal, Liverpool, Manchester United, Chelsea, Tottenham Hotspur -- the Football Association, and Rupert Murdoch's Sky TV.

Goldblatt argues that no social phenomenon traces the momentous economic, social, and political changes of post-Thatcherite Britain in a more illuminating manner than soccer, and The Game of Our Lives provides the definitive social history of the EPL -- the most popular soccer league in the world.

From the New York Times bestselling author--the shooting script to his award-winning film, with an original Introduction and vivid stills from the movie. Jenny is a 16-year-old girl stifled by the tedium of adolescence; she can't wait for her sophisticated adult life to begin. One rainy day her suburban existence is upended by the arrival of David, a much older suitor who introduces her to a glittering new world of concerts, art, smoky bars, urban nightlife, and his glamorous friends, replacing her traditional education with his own version. It could be her awakening—or her undoing. This edition of Hornby's adapted screenplay, which includes stills from the film, is a perfect accompaniment to the highly anticipated movie, which stars Carey Mulligan as Jenny, Peter Sarsgaard, Emma Thompson, Dominic Cooper, and Alfred Molina. It is a must-have for fans of Hornby's novels, featuring his signature pitch-perfect dialogue, mordant wit, and the resonant humanity of his writing. Watch a Video

How to be Good is Nick Hornby's hilarious bestselling novel on life, love and charity 'I am in a car park in Leeds when I tell my husband I don't want to be married to him any more...'. 'London GP Katie Carr always thought she was a good person. With her husband David making a living as 'The Angriest Man in Holloway', she figured she could put up with anything. Until, that is, David meets DJ Goodnews and becomes a good person too. A fat-too-good person who starts committing crimes of charity like taking in the homeless and giving their kids' toys away. Suddenly Katie's feeling very bad about herself, and thinking that if charity begins at home, then maybe it's time to move... This laugh-out-loud novel, from the bestselling author of About a Boy and High Fidelity, will have you gripped from start to finish and will appeal to fans of David Nicholls and Jonathan Coe, as well as readers in need of a moral compass everywhere. Pins you in your armchair ad won't let go... How to be Good? How to be bloody marvellous, more like 'Mail on Sunday 'It does exactly what it says on the cover. Hornby's prose is artful and effortless, his spiky wit as razored as a number-two cut' Independent 'The writing is so funny, and the set-pieces so brilliant...Hornby's best book since Fever Pitch' Lynn Truss, The Times
