Presenting new language.

4.04412. Average: 4 (68

votes) When we decide to

present new language items

to learners explicitly,

there are two underlying

approaches for the differing

techniques we can use -

deductive and inductive.

This article will compare

the two, describe how they

work, what they look like,

and what benefits they can

offer us when we need to

present something new to our

learners.
