Milady Standard Nail Technology, 7th Edition is packed with new and updated information on several important topics including infection control, manicuring, pedicuring, chemistry, UV gels, and the salon business. Brand new procedural photography enhances step-by-step instructions for the student. Also included, is a new "Why Study?" section at the beginning of each chapter, outlining the importance of understanding the concepts presented. Chapter objectives have also been revised to provide students and instructors with measureable, outcomes-based goals that can later be assessed using the end-of-chapter review questions. This latest edition of Milady Standard Nail Technology gives the aspiring nail technician the tools they need to launch themselves into a rewarding and successful career. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

This newly revised workbook directly follows the information found in the student textbook. This popular supplement contains detailed, interactive exercises designed to reinforce learning and increase student comprehension, including fill-in-the-blank, word review, matching, and final review examinations. Carefully designed to help students get the most out of their textbooks, the workbook emphasizes key point of information that are most likely to be included in state board exams.

This latest edition of Milady's Standard Nail Technology contains new and updated information on many subjects including infection control, product chemistry, manicuring, pedicuring, electric filing, monomer liquid and polymer powder nail enhancements and UV gels. Also included is a completely new chapter, The Creative Touch, loaded with the latest nail art mediums and techniques to enhance the learner's experience. In order to make for easier implementation, select editorial content from Milady's Standard Nail Technology and Milady's Standard Cosmetology have been aligned. This new format makes this the most complete resource for students to kick off their nail technology careers. Also included are brand new photographs and art that depict nail technicians performing their work and serving their clients encompassed by more than 400 pieces of art throughout the book, including procedural art. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

"This book contains questions similar to those that may be found on state licensing exams for nail technology. It employs the multiple-choice type question, which has been widely adopted and approved by the majority of state licensing boards... This review book reflects advanced in professional nail technology. It attempts to keep pace with, and insure a basic understanding of, sanitation, anatomy, physiology, and salon business applicable to the nail technician, client consultation guidelines, chemical safety in the nail salon, and basic manicuring and pedicuring procedures"--From foreword.

Milady has evolved for over 85 years to become what it is today, the cornerstone of beauty and wellness education. We are very excited and proud to announce the latest edition of Milady Standard Cosmetology, the most commonly used resource in cosmetology education. For decades since our first textbook published, it has been our commitment to provide students with the foundation in the principles and skills needed to master the science and art of cosmetology, and with this latest version that commitment has not wavered. For the new edition, celebrity stylist Ted Gibson served as Creative Director on the project. The result is a brilliant new design with over 750 new photos and a gorgeous layout, providing a visually stunning resource to engage today's learner. We also recruited a team of twelve authors, made up of top professionals and educators in the industry, to provide the most current information on concepts and techniques. During our extensive peer review and development process, we were asked for a resource that placed emphasis on essential content needed for licensure success, and we feel confident that we delivered. Milady Standard Cosmetology will continue to be a source of education that students can count on, not only while in school, but throughout their careers. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Ideal reference for students and practitioners of nail technology.
