ACHIEVE THE SAME GOLD STANDARD OF FITNESS UPHELD BY THE PROS! Over the past decade, Special Ops fitness has morphed into a new fitness genre along with military, police, and firefighter fitness called tactical fitness. Developed by a former Navy SEAL and building upon Special Ops fitness techniques, Tactical Fitness is designed to train you to perform to the rigorous physical training standards at the same level of excellence required of these Heroes of Tomorrow. At the core of this program is the Tactical Fitness Test which measures 12 standards for your physical capacity, including: cardiovascular conditioning, strength, muscle coordination, and stamina. Tactical fitness means having the skills needed to save lives and extend the limits of your endurance whether you are in the military, police, firefighting professions, or just an everyday hero. Designed for both men and women, Tactical Fitness presents a series of scaled workout plans—programs based in calisthenics, cardio, and swimming—supplemented with weights, full-body exercises, and functional athletic movements. Unique skills presented also include rope climbing, grip strength, carries, wall climbs, and much more. With Tactical Fitness, you will:

- Reach your absolute physical peak with the same workout techniques used by Special Forces military, firefighters, and police
- Follow a rigorous fitness curriculum designed to help you exceed the limits of your strength, speed, and endurance
- Benefit from all the teaching expertise of former Navy SEAL Stew Smith
- Be ready for whatever life throws at you

Tactical Fitness sets a standard of excellence that does more than meet the minimum requirement—it allows you to reach your full physical potential! From the Trade Paperback edition.

Due to recent events, all eyes have been on the American military, especially the elite Special Operations teams: Army Special Forces, Army Rangers, Navy SEALs, and Air Force Special Ops that truly are the best of the best in the military. These teams of specially trained warriors perform the most difficult, politically sensitive, and dangerous missions known to the US military. The Special Ops Workout: The Elite Exercise Program Inspired by the United States Special Operations Command gives an inside look at the intense physical preparation required to become part of one of these elite teams. The men of the Special Ops are in the best physical shape of their lives, and the combination of conditioning workouts, nutritional information, and inside looks into training and selection guidelines outlined in The Special Ops Workout show just how they get that way. Nationally known fitness expert Mike Mejia and former US Navy SEAL and fitness author Stewart Smith teamed up to give an insider's look into some of the toughest military training in the world. By focusing on the strength and endurance conditioning essential to success in Special Operations teams, these experts show how to use real Special Ops workouts to get in the best physical shape of your life. Whether your goal is to make it into the Special Forces, or just bring extra intensity into your regular workout routine, The Special Ops Workout is a resource that will add a powerful boost to any fitness regimen. The Special Ops Workout features:

- A specially formulated 12-week total body conditioning workout
- The Army Ranger and Green Beret 6-week workout
- The Air Force PJ/CCT 6-week workout
- The Navy SEAL 6-week workout
- The ultimate in high-powered nutrition info

Add weights to your NAVY SEAL Training prep! The Navy SEAL Weight Training Workout is an effective weight lifting program designed to maintain muscle growth and avoid over-training in high-repetition and high-mileage running and fitness routines like those used by Navy SEALs. Pushing your fitness to the extremes is a necessary part of a rigorous regimen like Navy SEAL training. But for maximum results, it's crucial to incorporate a periodization program that creates a break from all the elements of your regular routine. Fitness is a journey, not a destination, and Navy SEAL Weight Training is the perfect guide to keeping you on the road to becoming fit and strong, Navy SEAL-style! The Navy SEAL Weight Training Workout has been specially designed for those who have a solid foundation of training under their belts and are looking for new ideas to add or replace their existing routines. The workouts incorporate weight training exercises, along with running, biking, or swimming and moderate repetitions of calisthenics for the ultimate recovery program built for boosting results. Based on actual Navy SEAL training routines, Special Ops Team Coach Stew Smith has developed The Navy SEAL Weight Training Workout to help keep you going strong, just like the Navy SEALs.
