From the #1 New York Times bestselling author of the Shopaholic series comes a terrific blend of comedy, romance, and psychological recovery in a contemporary YA novel sure to inspire and entertain. An anxiety disorder disrupts fourteen-year-old Audrey's daily life. She has been making slow but steady progress with Dr. Sarah, but when Audrey meets Linus, her brother's gaming teammate, she is energized. She connects with him. Audrey can talk through her fears with Linus in a way she's never been able to do with anyone before. As their friendship deepens and her recovery gains momentum, a sweet romantic connection develops, one that helps not just Audrey but also her entire family.

Bestselling author Jude Deveraux spins a rollicking story of a mismatched couple who unearth a sparkling, irresistible passion across the rugged West! Captain Ring Montgomery was handsome, a skilled rider, a crack shot, popular with the men and their ladies. That was reason enough for a jealous, surly colonel to saddle Montgomery with a most peculiar assignment: to escort an opera singer into the Colorado gold fields. Ring's plan was to scare the little lady enough so that she'd hightail it for home. After all, a Civil War was brewing! But LaReina, The Singing Duchess—as Maddie was called—didn't scare easily. And she didn't intend to explain her reasons for coming West to any high and mighty soldier. Captain Montgomery might be smart enough to figure out that she was no European duchess, and gentleman enough not to take advantage of her. But he'd have to go on thinking she had some insane desire to sing opera to a bunch of ragtag miners—for she didn't dare trust him with the truth
